					First Named Inventor: Symon D'Oyly Cotton

As below named inventor(s), we declare that:

Our citizenship(s) are as stated below next to our name(s). We believe that we are the original and first inventor(s) of the subject matter which is claimed and for which a patent is sought on the invention entitled: **THE METHOD AND APPARATUS FOR QUANTIFYING TISSUE HISTOLOGY**

The specification of which was filed on January 27, 2005 as application serial no. 10/523,158 and was amended on January 27, 2005, described and claimed in PCT International Application No. PCT/GB2003/003367 filed July 30, 2003.

We hereby state that we have reviewed and understand the contents of the above-identified specification, including the claims as amended and by any amendment specifically referred to above.

I acknowledge the duty to disclose information that is material to patentability as defined in 37 C.F.R. 1.56, including for continuation-in-part applications, material information which became available between the filing date of the prior application and the national or PCT international filing date of the continuation-in-part application.

We claim foreign priority benefits under 35 U.S.C. § 119/365 of any foreign application(s) for patent or inventor's certificate listed below and have also identified below any foreign application for patent or inventor's certificate having a filing date before that of the application on the basis of which priority is claimed.
